# Benvenuti All'Italia 2020 – Italy's Ready With A Warm Summer Welcome

## *Augustus Hotel & Resort, Forte Dei Marmi*

Everything at the Augustus Hotel in Northern Tuscany is gracious and spacious. With the Apuan Alps forming a dramatic backdrop, the exclusive location offers discreet access to the private beach while soft shade, rustling palms and the scent of pine trees cocoon guests who choose to linger in the extensive gardens.

Echoing the hotel's history and the many famous guests who have stayed here, privacy matters at the Augustus making it perfect for summer escapes. Its laid-back atmosphere acts as an antidote to 21<sup>st</sup> century pressures. Enjoying a sunset Negroni in a private tent on the beach (socially distanced, of course) creates lasting Mediterranean memory.
