With its villas, park and fascinating history, Augustus Hotel & Resort has enjoyed pre-eminence in Forte dei Marmi and Versilia for over 70 years. An idyllic base for exploring art, natural landscapes and high society, the resort is one of the most exclusive destinations on the Tuscan Riviera. This year, the Maschietto family has officially confirmed the launch of a new project that will expand the resort by adding two charming new five-star residences: Villa Ala Anita and Villa Ala Bianca. Both located in the secluded area of the resort and immersed in the quiet intimacy of its lush garden, these additions will ensure that your stay is one of exclusivity and luxury, allowing you to experience the Tuscan Riviera in complete bliss.
